

# WORLD EXPLORERS BUREAU

The Global Adventure Speakers Agency

**INSPIRE - MOTIVATE - CONNECT**

# Do you require a riveting, awe inspiring speaker for your conference?

Let the world's Greatest Explorers and Adventurers inspire and motivate your audience with captivating tales of their adventures, encapsulating themes of teamwork, motivation and leadership.

# Welcome to the World Explorers Bureau

where the world's greatest explorers and adventurers will inspire and motivate your audience.

The World Explorers Bureau has a hand-picked community of elite explorers and adventurers with a shared aim - to inspire by adventure.

We aim to represent over 100 explorers and adventurers, harnessing their ability to inspire by adventure and connect them with the world's greatest companies, communities and audiences in need of top-class, inspirational speakers for conferences, keynotes, after-dinner speeches and motivational lectures.

Each of our Speakers can uniquely tailor their presentation to suit your requirements using stunning photographs and video. Our explorers and adventurers specialise in colourful, insightful and inspiring presentations on themes such as:

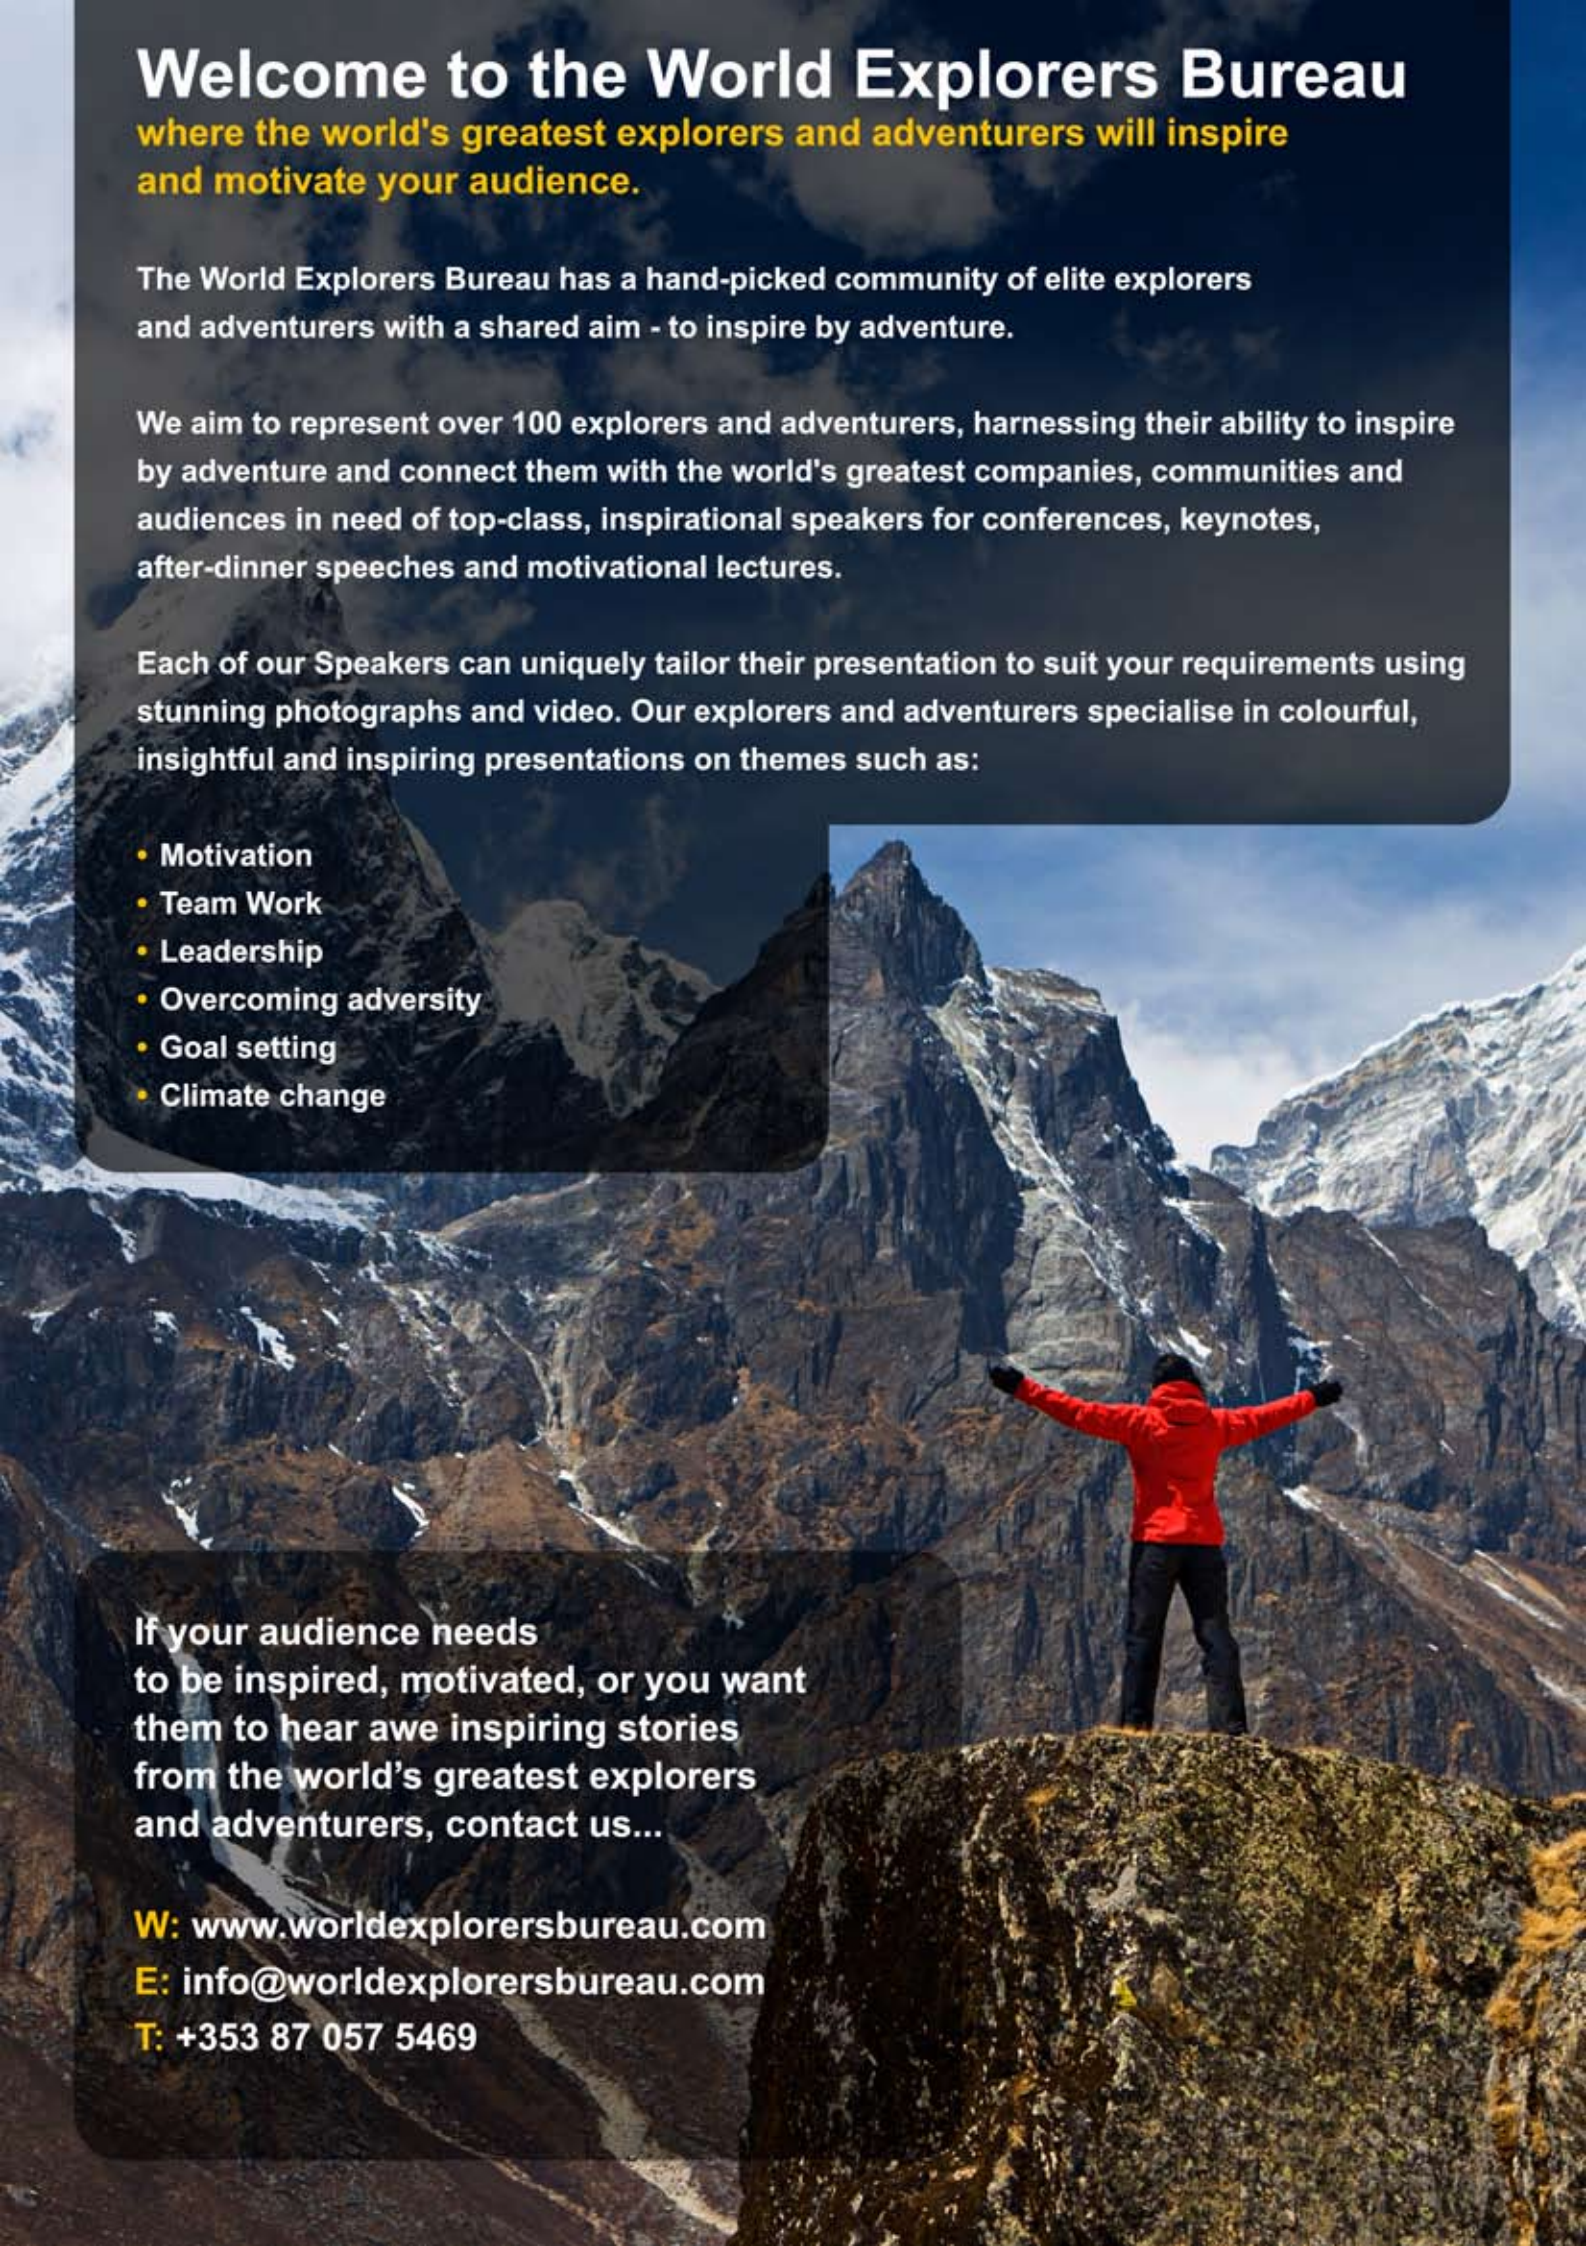

- Motivation
- Team Work
- Leadership
- Overcoming adversity
- Goal setting
- Climate change

If your audience needs to be inspired, motivated, or you want them to hear awe inspiring stories from the world's greatest explorers and adventurers, contact us...

# World Explorers

Each and every activity of the World Explorers Bureau members demonstrate perfectly the significance of goal-setting, perseverance, self-motivation, team work, leadership, overcoming seemingly impossible odds, confidence and ambition.

## Why our clients work with us

- We insure that you will get value for money and leave your audience thrilled and inspired.
- We select a World Explorer who best suits your requirements and budget.
- We offer one easily accessible point of contact for all bookings and coordination.

### Inspire

Inspirational modern story tellers.  
Captivating lectures and real-world examples.

### Motivate

Awe-inspiring tales of overcoming adversity  
and challenge.

### Connect

Arctic & polar explorers, mountaineers, environmentalists,  
marine discoveries, adventure sailors, ocean rowers,  
desert explorers, extreme athletes.
